

Fourth Quarter Revival Reflection Guide

A personal moment of reflection and prayer

Take a quiet moment. Ask God what He wants to revive in you.

01 Where do I need fresh oil?

What area of my life feels hidden, discouraged, delayed, or ready for renewal?

02 What may God be bringing back to the forefront?

A gift, a dream, a way of thinking, a relationship, a responsibility, or something else?

03 One intentional step I can take this week

Keep it simple and specific. What can I follow through on?

My prayer

Lord, revive _____ in me. Give me fresh oil, renewed hope,
and grace to take my next step with You. Amen.

“To give them beauty for ashes, the oil of joy for mourning...”
